To court clerk:

Please find enclosed an amended copy of the suit case number 17-cv-191-Jdp. I had made an error in which police department officer Brandon Arney worked for. I would like to file this new and amended copy in place of the old one.

Also you will find a copy of the response I received from the jail Sgt. upon my request to him regarding a certified copy of my inmate trust account statements. I sent you what they have available to me. what I sent is the jails equivalent. They do show that I have had a zero balance and a debt amount to the jail.

I have also enclosed a second lawsuit against the jail to be filed.

Respectfully

Lewis E. Byrd III
